Web registrations open 08 January 2020 and 11 January 2021

Students with research only M and PHD studies may register until 30 April 2020 and 30 April 2021

Applications 2021:

Online applications for 2021 opens 1 March 2020.

Application dates and the evaluation processes are managed by faculties. The HDA office should be informed of closing dates of applications.

Finalizing marks in time for closing dates of the graduation lists:

Faculty meetings should be conducted regularly during the course of the academic year. This is to make provision for the completion of required amendments of students, before final marks may be released to HDA.

Time frame for amendments:

Option 2: within 4 weeks

Option 3: within 9 months

Option 4: within 12 months

The student submits the amended document to the faculty, after receiving a memorandum from his/her supervisor/promoter which guided the amendments.

Proof of amendments completed and approved are marked as submitted to the supervisor/academic director on the Final mark template.

The progress report process is managed by faculties.
